

All-inclusive Retreat \$600 out-the-door.

We know your time is valuable—so we designed an all-inclusive retreat package to minimize the work on your end. Less time planning means more time well spent. This package includes;

- 1-night lodging
- 24-hour use of the cottage
- Wine tasting and charcuterie board
- 3 full meals (breakfast, lunch, and dinner)
- All-day beverage, break, and snacks
- Stocked fire pit
- list of self-guided trail hikes
- Vashon town Scavenger hunt

Picture it now—an afternoon arrival on the property, settling into rooms and regrouping in The Cottage, enjoying a casual wine tasting and charcuterie followed by a delicious dinner, then winding down by the fire in the pavilion.

Waking up the next day with a mellow breakfast, making space for meetings or leisure time, lunch after a mid-day scavenger hunt or hike, and wrapping things up back at The Cottage. We recommend that you visit the Troll as a team.

This experience requires 1 overnight stay; 8ppl minimum, 32 max. You can choose from our other packages or go A'la Carte for additional nights. Inquire today about how to turn this dream into reality.
